Research Field(s)	<input type="checkbox"/> Chemistry CHE <input type="checkbox"/> Social and Human Sciences SOC <input type="checkbox"/> Economic Sciences ECO <input type="checkbox"/> Information Science and Engineering ENG <input type="checkbox"/> Environment and Geosciences ENV <input type="checkbox"/> Life Sciences LIF <input type="checkbox"/> Mathematics MAT <input type="checkbox"/> Physics PHY	Keywords: Databases, Semantic Web, Ontologies, NLP, Arabic, Social Media
Short Description of the Organisation	<i>Philadelphia University is an academic institution established in 1989 and it currently houses around 300 faculty members and 6000 students in 8 faculties that contain 30 departments.</i>	
Research Experience (esp. EU projects)	<p>My name is Dr. Samir Tartir and I am a researcher in the fields of Semantic Web, Arabic NLP and Social Media in Philadelphia University in Amman, Jordan. I have been the coordinating officer for Philadelphia University with the EU for research projects in the period of 2010-2011 and have learned a lot about EU projects.</p> <p>I feel that I can make a significant contribution to a research team due to my expertise in the following areas: 1) the evaluation of ontologies, 2) social media processing and 3) Arabic NLP. Namely, getting insights about social media trending topics and their implications, extracting information</p>

	<p>from text and answering NL questions using the information. I would be interested in participating in a consortium applying for funding in an H2020 2015 project that contains research in an area of Information & Computer Technologies. For example, I believe I can be a member in teams of projects in the following topics:</p> <p>ICT-10-2015: Collective Awareness Platforms for Sustainability and Social Innovation</p> <p>ICT-16-2015: Big data - research</p> <p>ICT-19-2015: Technologies for creative industries, social media and convergence</p> <p>ICT-30-2015: Internet of Things and Platforms for Connected Smart Objects</p> <p>My expertise can be assessed my LINKEDIN/Google Scholar profile containing my publications. I can also send my resume for any interested group.</p>
